Financial Proposals opening date: 06 August 2024

Name of Selected Consultant: Pegasys with SIWI, SWECO and the GWP as Subcontractors
Nationality: United Kingdom
Address: 85 Great Portland Street, First Floor, London, W1W 7LT

Contract Award Price: 7,994,881.94 SEK taxes exclusive

Contract Start date: 1 October 2024
Contract Duration: 16 months

Summary of Scope of Contract Awarded: The summary is as follows:

The general scope of the project is selection, prioritization and pre-feasibility studies of medium-sized water infrastructure and storage projects in the Zambezi Watercourse. After selection and prioritization, the Consultants will carry out pre-feasibility studies for 3 to 5 medium-sized water infrastructure and storage projects. This consultancy will improve viability of 20 to 25 medium-sized water infrastructure and storage projects through

improved project information. The project will improve enabling conditions for 3-5 medium-sized water infrastructure and storage projects that have high potential to strengthen water security and deliver services to water-dependent sectors in the riparian states of the Zambezi Watercourse. Additionally, the project is expected to support ZAMCOM and the riparian states in their pursuit of promoting and coordinating the cooperative transboundary management and development of the water resources of the Zambezi Watercourse in a sustainable and climate-resilient manner.
